PRESIDENT'S MESSAGE:

Hello, Stitchers!

We're getting into true summer here and we all know what that means – Stitching season! I'm hoping to spend many summer afternoons in my stitching nest creating beautiful things.

I'm excited about our summer stitch-ins and hope to see many of you there. Just a reminder, there will be no meeting, hospitality, or program, just some very good company relaxing and stitching. The stitch-in dates are July 1st and August 5th and will be held from 10:00am until 3:00pm in the Senior Lounge in the Ellie Towne Flowing Wells Community Center.

When we return to our regular schedule in September we will be having our 'What I Did This Summer' Show and Tell and a potluck with all members present participating. Please bring six to eight servings of one of your favorite dishes along with a serving utensil. The guild will provide beverages and place settings.

Happy Stitching!
Linda

BY-LAWS.....BARABARA LEWIS

I have just noticed some errors in our by-laws that need to be changed. We will vote on these changes at the September meeting.

By-Laws:

Under Article IV, Section 5, subsection b...it currently states that 'It shall be the duty of the nominating committee to nominate at least one candidate for each of the offices to be filled and to {report at the annual meeting in even numbered years}.....this is to be changed to [report the names 30 days in advance of the annual meeting in December].

The second change is in Article V, Section 2.The annual meeting shall be held in November....this needs to be changed to read December. [This is the meeting where we receive annual reports, etc. as it is the end of our business year.

August Board Meeting:

Please mark your calendars, the August Board meeting will be held on August 19th at 9:30am at the home of Myldred Richardson. Directions to Myldred's lovely home will be sent to board members in August. Just a reminder, you do not need to be a member of the board to attend, and if you would like directions, please contact me.

EDUCATION.....SUE BEVERIDGE

There are so many interesting and informative websites on the Internet. Let's start a list of sites we find relating to embroidery. It might be informative such as how to use specific threads, stitches or beading techniques. Send me your discoveries and I will share them in the newsletters. My email is below.

I am not on any list serve so we could share those sites as well.

www.caron-net.com

This has so much information including thread guides and how to use the many types of threads they have. They also have some free patterns and much, much more.

www.patternspatch.com

The site is about cross-stitch, "New and Vintage Patterns from Around the World." It even has information on storing projects and storing threads and so much more that is available without joining. To get to the patterns one must join but all that is needed is your email.
